### English Club Activity

Students of class VI have performed skit during their English club activity period. In which they acted on the story line of SAVE TREE. Acting, dialogue delivery and synchronization of scenes were well performed by students in guidance of their in charge teacher Ms. Mandeep Ahluwalia.

### Hindi Club Activity

It was great to see budding Hindi poets from class VII with their compositions during Hindi club activity period. The level of work was above expectation at this age which was all because of effort made by in charge Mrs. Kiran Gupta.

### Sanskrit Club Activity

Students of class VIII did recitation of SHLOKAS and the in charge Mrs. Sulbha Dubey explained them beautifully in reference to our daily life. Students enjoyed the club and carried home a great learning of the day.

### Science Club Activity

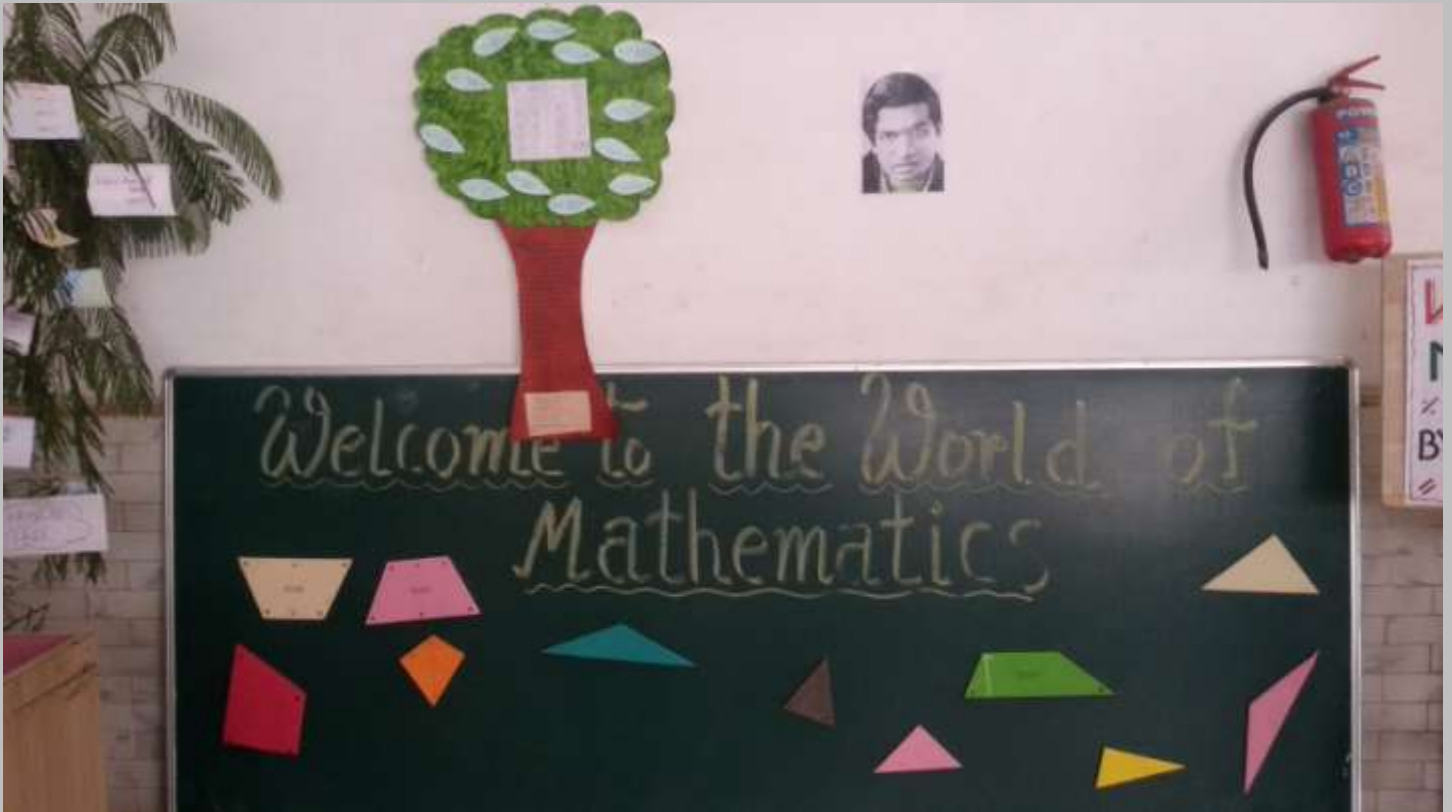

During Science Club activity our junior scientists collected leaves of Herbs, Shrubs, Trees, Climbers and Creepers. They dried it and pasted it. The compilation of all the leaves made it easier for them to differentiate the leaves and its criteria of difference. This was done in guidance of Mr. Diwakar Arkane.

### Social Science Club Activity

There was a large collection of coins and currency of different countries done by students of class IX in their social science club activity which was under the guidance of Mrs. Neha Nathani.

### Maths Club Activity

It was in Disha School premises we could see great mathematicians of class X, working with their models of shapes, laws, puzzles etc during their Maths club activity. Knowledge Tree made by students was center of attraction. On the spot puzzle solving kept the viewers engaged and engrossed in discussion about the model for which source of inspiration was Mrs. Sushila Jethani as the incharge.

### IT Club Activity

Students of class X participating in IT club learnt the use of scanner and transfer of files under the guidance IT in charge Mr. Venu Panickar.

### Literacy and Heritage Club Activity

Students of class IX performed Garba and Dandiya as a sample and had discussion on dance form of Gujrat State.

### Value education seminar on peace

Students of class VI to VIII attended seminar on PEACE conducted by Ms. Janice Daniel.

## Value education seminar on Effective Communication

Students of class IX and X attended a seminar on EFFECTIVE COMMUNICATION conducted by Mr. Diwakar Arkane.

## Disha Maths Olympiad

A set of 20 MCQ question was prepared and students appeared in the Olympiad. The engrossed working to solve logical questions was worth watching.
